

Gatwick Airport Limited

as Borrower under the Common Terms Agreement

COMPLIANCE CERTIFICATE

given pursuant to paragraph (d) of the Information Covenants under the Common Terms Agreement dated
15 February 2011 (as amended and restated from time to time)

To: The Borrower Security Trustee

Copy: Gatwick Funding Limited (as Issuer); the Agent

Date of this Certificate: 21 July 2026

Calculation Date: 31 March 2026

Relevant Period (Senior ICR): the twelve months ended 31 March 2026

Dear Sirs,

1. We refer to the Common Terms Agreement. This is a Compliance Certificate delivered with the Investor Report for the Calculation Date falling on 31 March 2026. Terms defined in the Master Definitions Agreement have the same meaning in this Compliance Certificate.
2. We certify that, as at the Calculation Date, the Senior Interest Cover Ratio ("Senior ICR") and the Senior Regulatory Asset Ratio ("Senior RAR") have been calculated in accordance with their respective definitions, as set out in Schedule 1 and Schedule 2 to this Certificate, in each case together with the computations necessary to demonstrate such calculation.
3. The figures reported for the immediately preceding Calculation Date (30 September 2025) have been recalculated as required. No revision to any previously certified figure has arisen.
4. We confirm that, as at the date of this Certificate, no Trigger Event and no Loan Event of Default has occurred and is continuing, and that the Restricted Payment Condition would, as at the Calculation Date, be satisfied.

SCHEDULE 1 — SENIOR INTEREST COVER RATIO (TWELVE MONTHS ENDED 31 MARCH 2026)

SYNTHETIC DEMONSTRATION DOCUMENT. Created 21 July 2026 for testing the Enid platform's inbound document digestion workflow. Not prepared, issued or approved by Gatwick Airport Limited, Gatwick Funding Limited or any other Gatwick entity, and not a record of any actual certification. All figures stated as at, or for the period to, 31 March 2026 are fictitious: the 31 March 2026 position is modelled from the audited 31 December 2025 figures by reducing Cash Flow (A) by five per cent. and holding Senior Net Debt and RAB flat, and the 30 September 2025 comparatives are modelled on the same basis. The threshold levels and ratio definitions derive from public filings (Gatwick Funding Limited base prospectus, June 2024, pp. 65–66) as loaded on the Enid platform.
