Dear Sirs,

1. This is a Compliance Certificate delivered pursuant to Clause 8.2 (Compliance Certificates) of the common terms agreement dated 14 October 2013 and amended and restated on 9 June 2021 between, among others, Ravensmoor Water Limited ("RAL") as Borrower, Ravensmoor Water Holdings Limited as Parent, Ravensmoor Funding PLC as Issuer and Aldermoor Corporate Trustees Limited as Borrower Security Trustee (the "Common Terms Agreement"). Terms defined in the Common Terms Agreement have the same meaning when used in this Certificate unless given a different meaning here.
2. The Calculation Date to which this Certificate relates is 31 March 2026 and the Relevant Period is the period of twelve months ending on that date. This Certificate is delivered within the period required by Clause 8.2.2 of the Common Terms Agreement.
3. Schedule 1 to this Certificate sets out the computation of the Senior Interest Cover Ratio and Schedule 2 sets out the computation of the Senior Regulatory Asset Ratio, in each case as at, and in respect of the Relevant Period ending on, the Calculation Date. Each ratio has been calculated in accordance with Part 1 of Schedule 4 (Financial Covenants) to the Common Terms Agreement, applying the Accounting Principles consistently, and is derived from the audited consolidated financial statements of the Ravensmoor Security Group for the financial year ended 31 March 2026 and from the Regulatory Asset Base determined in accordance with the Licence.
4. We confirm that the Regulatory Asset Base of the Ravensmoor Security Group at the Calculation Date is £3,145.0m and that the deduction of two per cent of RAB required by paragraph 2(c) of Part 1 of Schedule 4 has been made in arriving at Cash Flow (A) in Schedule 1.
5. On the basis of the Board-approved business plan most recently delivered under Clause 8.4 (Business Plan), and applying the assumptions set out in that plan, we confirm that the Senior Interest Cover Ratio and the Senior Regulatory Asset Ratio are each forecast, for each of the two Relevant Periods ending 31 March 2027 and 31 March 2028, to remain within the levels specified in Part 2 of Schedule 4 (Financial Covenants), and that no Trigger Event is expected to occur in either of those periods.
6. We confirm that no Default and no Trigger Event has occurred and is continuing at the date of this Certificate, and that no Default or Trigger Event has occurred since the date of the Compliance Certificate

last delivered which has not been remedied or waived in accordance with the Common Terms Agreement.

7. Accordingly, the Obligors confirm that they were in compliance with each Financial Covenant set out in Part 1 of Schedule 4 (Financial Covenants) to the Common Terms Agreement as at the Calculation Date.

8. This Certificate is given by the undersigned for and on behalf of each Obligor in their capacity as Authorised Signatories and without incurring any personal liability.
